## MEET OUR WINTER INTERNS!

**Simran Patel**

My name is Simran and I am currently a sophomore at Rutgers Business School double majoring in Supply Chain Management and Marketing. I joined in the summer as an intern and have been continuing my work with Raja Krishna on research projects. I am super excited to be here and contribute in any way possible!

**Arya Vuppala**

My name is Arya and I'm someone who absolutely loves taking care of animals. I even have a rescue pup named Benji who means the world to me. I'm also a proud Rutgers student, where I serve as the Co-VP of Events for the Road to Supply Chain Leadership Program (RSCL). I love building community, organizing meaningful experiences, and bringing people together both on and off campus.

**Aditi Gupta**

I'm Aditi, a senior year MBA-MS in Supply Chain Management & Analytics from XLRI and Rutgers Business School. I've worked in supply chain for about three years and love that there's never a dull moment! Outside of work, I love traveling and have a small gang of three dogs (a German, Lab, and Himalayan Mastiff) and a kitty (who's obviously the boss!) back home.

# HIGHLIGHTS FROM OUR ANNUAL WINTER WONDERLAND HOLIDAY PARTY

Our annual Winter Wonderland Holiday Party was a huge success this year! On Friday, December 12th, the Hermann Services team came together for a night of great food, music, and plenty of dancing. Beyond the celebration, it was a chance to recognize the incredible hard work and dedication our team has shown throughout the year with our Holiday Awards.

**CONGRATS TO ALL THE WINNERS!**

## HERMANN SERVICES ANNOUNCES THIRD MAJOR EXPANSION IN 12 MONTHS

We're excited to announce the official launch of Hermann Services' dedicated trucking operations in Florida! While Florida isn't new territory for us, we see tremendous opportunity to grow our presence and better serve the region's increasing demand for reliable transportation services.

This marks our third major expansion in just 12 months, following the launch of our dedicated service in Phoenix, AZ, and our dedicated warehouse in Grapevine, TX. None of this would be possible without the hard work and dedication of our incredible team, who continue to make these milestones happen!

## LOOKING FORWARD...

From team celebrations to community initiatives, there's plenty happening across all our locations. The traditions that bring us together; Take Your Child to Work Day, Rutgers Road to Supply Chain Leadership

Cohort Launch, the kick-off of our Summer Cookoff Series, and monthly birthday bagels remind us that building a strong company means building a strong culture, one celebration at a time.

## BRAIN TEASER

I have keys but no locks, space but no room, and you can enter but can't go inside. What am I?

Answer: Keyboard
